These classes will provide needed information on what it takes to be a beekeeper, where you can purchase needed equipment, supplies and the bees themselves. If you have thought about becoming a beekeeper, but didn't have the information you thought you needed, this is your opportunity to be educated, enlightened and fascinated, on what we wouldn't have without them and the added benefit of them.

There will also be a hands on "FIELD DAY" to complete these classes. It will be held on Saturday, MAY 3<sup>rd</sup> at 10:00 A.M. at the home Apiary of DENZIL ST. CLAIR, 43655 ST. RT. 162, SPENCER OH. Experienced beekeepers will take you into an actual beehive and give you the chance to apply the information you learned in the class. Year round mentoring is given by members of L.C.B.A. to help you with any questions or problems you might have.
